ANNOUNCES PROGRAM BIG S. S. CONFERENCE

WILL BE HELD IN ANDERSON
ONE WEEK BEGINNING
ON APRIL 23-IS BIG
EVENT

NOTED TEACHERS WILL BE PRESENT

Is Held for Church of Saluda Association—Consists of Conferences, Lecture and Text-book Courses.

Dr. John E. White yesterday announced the complete program for the First Annual Training School and Conference for Pastors, Sunday School, B. Y. P. U., and all Christian workers which is to be held in this city under the auspices of the First Baptist church from April 23 to 28. This conference school is held for the churches of the Saluda association and will consist of conferences, lecture courses and text-book courses.

The following appears on the printed copy of the program:

1. The Training school, which has been made possible by the generosity of the First Baptist church of Anderson in co-operation with the Sunday school board and the Sunday school department of the State mission board, is to be enjoyed by one and all without charge of any sort, except the purchase price of one textbook by those who take the class work. No book will exceed fifty cents in price.

2. The training school will be formally opened on Sunday afternoon April 23, at 3:30 o'clock, at which time the initial address will be delivered by Rev. I. J. VanNess, D. D., of Nashville, Tenn. Other members of the faculty will be present. A special musical program will be rendered. No one should miss this great inspirational service.

3. The conferences and lectures will begin each afternoon at 3:30 o'clock. The closing platform lecture will be delivered each evening at 8:30 by Dr. W. O. Carver, of Louisville, Ky.

4. The class work will begin in four groups each day at 5:45 p. m., and continue until 6:45 o'clock. A simple, though substantial, luncheon will then be served to all the members of the Training School by the ladies of the church in the Sunday school building. There will be no occasion for leaving the building for supper. The second class period will begin promptly at 7:30 o'clock. It will be necessary for students to be regular in attendance to successfully complete a textbook course.

Entertainment of out of town workers: The First Baptist church of Anderson will entertain in their hospitable homes all workers who will come on Monday and remain through Friday, and who will register for one of the textbook courses. In order to be entertained in this way it will be necessary for workers to send their names to Dr. John E. White at least three days before the opening of the school.

6. The Faculty: Rev. I. J. VanNess, D. D., Nashville, Tenn.; Rev. W. O. Carver, D. D., Louisville, Ky.; Rev. B. H. DeMent, D. D., Greenwood; Prof. W. D. Hudgens, Estill Springs, Tenn.; Rev. Jos. T. Watts, Richmond, Va.; Mrs. H. B. Cross, Staunton, Va.; Rev. Thos. J. Watts, Columbia.

7. Examinations: On the closing night of the Training School examination questions will be given to applicants for normal credit and certificates of proficiency. These questions will be given in sealed envelopes, to be opened after a careful review of the textbook has been made. The answers will then be written and the paper mailed to Rev. Thos. J. Watts, Columbia. A grade of 70 per cent will be required for passing. No one will be required to stand the examination. All will be encouraged to do so.

8. Part of a Great System: The Training School is a part of a great system of schools inaugurated ten years ago by the Sunday School Board of the Southern Baptist convention. Schools of like kind have been held in all the leading cities of the south. More than thirty thousand Baptist Sunday School teachers now hold the King's Teacher Diploma of the Sunday School Board. A hundred thousand teachers have made a beginning in these studies. South Carolina has had a large share in this work. Register now.

John E. White, Host.
Thos. J. Watts, Director.

DR. WHITE TO ADDRESS GREENVILLE COLLEGES

ANDERSON MINISTER TO DELIVER BACCALAUREATE SERMON AT FURMAN AND G. W. C.

JOINT GATHERING

Dr. White's Sermon Will Be Heard By Two Large Graduating Classes.

Dr. John E. White, president of the Anderson college for Women, and pastor of the First Baptist church of Anderson, will deliver the baccalaureate sermon before the graduating classes of Furman University and the Greenville Woman's college on Tuesday morning, June 6, at the First Baptist church, according to announcements from the colleges in Greenville Thursday.

Both institutions will graduate large classes this year, according to all present indications. Commencement exercises will be held by both colleges, as is the custom, the week beginning June 4th, and the baccalaureate sermon will be delivered before a joint gathering of the students of both institutions at the First Baptist church Tuesday morning. The speaker is selected by the colleges alternately. Dr. White was chosen this year by Furman. He is probably one of the most distinguished Baptist speakers of the southeast, and the sermon to be delivered at Greenville will be looked forward to with pleasure not only by the students of the colleges, but by the alumni and patrons as well.

SAGE AND SULPHUR DARKENS GRAY HAIR

It's Grandmother's Recipe to Restore Color, Gloss and Attractiveness.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, for about 50 cents. Don't stay gray! Try it! No one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.
